2.1 Terms and Conditions

These Terms and Conditions apply to the operation of the HIE, the provision of the Services, and the relationships among HEALTHeLINK and Participants, and shall be deemed incorporated by reference into the Participation Agreement.

2.2 Policies and Procedures

The Policies and Procedures set forth the policies and procedures pursuant to which HEALTHeLINK shall provide the HIE and the Services, shall be consistent with these Terms and Conditions, and shall be deemed to be incorporated by reference into these Terms and Conditions. In the event of a conflict between the Policies and Procedures and these Terms and Conditions, these Terms and Conditions shall govern.

2.3 Procedures for Amendments

(a) HEALTHeLINK is solely responsible for the development of these Terms and Conditions and the Policies and Procedures, and may amend, repeal, or replace these Terms and Conditions and/or the Policies and Procedures at any time as HEALTHeLINK determines is appropriate, and except as provided in Section 2.3(b), all pursuant and subject to Sections below.

(b) Notwithstanding anything contained in Section 2.3(a) or Sections below, if a change to the Terms and Conditions or Policies and Procedures, as the case may be, is required in order for HEALTHeLINK and/or Participants to comply with applicable laws or regulations, HEALTHeLINK may implement the change and provide notice to Participants within a shorter period of time that HEALTHeLINK determines is appropriate under the circumstances.

2.4 Changes to Policies and Procedures and/or Terms and Conditions

HEALTHeLINK may amend, repeal, and/or replace the Policies and Procedures or Terms and Conditions at any time, and from time to time, upon thirty (30) days' prior written notice to the Participants, unless an earlier effective date is required by law. Subject to Section 2.5 (Request for Reconsideration or Termination Based on Objection to Change) below, any change to the Policies and Procedures and/or Terms and Conditions shall be legally binding upon HEALTHeLINK and Participants, as of the effective date of the change, which shall not be earlier than thirty (30) days after notice is provided to Participants, unless an earlier effective date is required by law.

2.5 Request for Reconsideration or Termination Based on Objection to Change

If a change described in Section 2.4 (Changes to Policies and Procedures and/or Terms and Conditions) affects a material right or obligation of a Participant under the Participation Agreement, and the Participant objects to that change, that Participant may, within thirty (30) days following HEALTHeLINK's notice of the change to Participant, (i) make a request to the Operating Committee for reconsideration noting the reasons for the Participant's objection; or (ii) terminate its Participation Agreement by giving HEALTHeLINK written notice thereof. The change objected to will not be implemented with respect to the objecting Participant prior to resolution of a requested reconsideration or to the effective date of termination under this Section 2.5, unless such change was required in order for HEALTHeLINK and/or Participants to comply with applicable laws or regulations.

HEALTHeLINK may make exceptions to the Policies and Procedures in a Registration Application at HEALTHeLINK's sole discretion, as long as any exceptions do not otherwise conflict with the terms of these Terms and Conditions and are approved through the Operating Committee processes referenced in Section 8.8 (Operating Committee).

3.4 Participant's Other Rights to Terminate

(c) HEALTHeLINK may terminate any Participant's Participation Agreement if a Breach occurs, or Participant is otherwise out of compliance with Sections 5.3 or 5.4 below, and the Participant does not promptly take measures either (i) to cure that Breach or violation to the reasonable satisfaction of HEALTHeLINK, if cure is possible given the nature of the breach or violation, or (ii) to prevent subsequent similar breaches or violations, in either case, in a manner reasonably satisfactory to HEALTHeLINK.

3.6 Effect of Termination

Upon any termination of a Participant's Participation Agreement, that party shall cease to be a Participant and thereafter neither the former Participant nor its Authorized Users shall have any rights to use the HIE or the Services. All licenses or other rights to use the HIE, associated hardware and/or Services granted to the Participant hereunder shall terminate automatically upon the termination of the Participant's Participation Agreement. Certain provisions of these Terms and Conditions shall continue to apply to the former Participant and its Authorized Users following that termination, as described in Section 3.9 (Survival of Provisions).

5.5 No Limitation on Data Recipient’s Use of Its Own Data

Nothing in this Section 5 or elsewhere in these Terms and Conditions or the Policies and Procedures is intended or will be deemed to limit Data Recipient’s use of its own data when a Data Recipient is also a Data Source, including Patient Data, in any way.

5.6 Consent/Authorization

Prior to accessing Patient Data, Data Recipient shall comply with all applicable laws governing patient consent/authorization to and for the use or disclosure of information, as well as with all requirements regarding obtaining consent/authorization from patients that are set forth in the Policies and Procedures.

Nothing in this Section shall be construed to prohibit HEALTHeLINK from disclosing any of a patient's Patient Data in accordance with patient authorization or to prohibit a patient from disclosing any of the patient's Patient Data the patient has received from HEALTHeLINK, another QE, or an External Network to an individual or entity of the patient's choice.

For the purposes hereof, “Proprietary Information” means all trade secrets, business plans, marketing plans, know-how, data, contracts, documents, scientific and medical concepts, member and customer lists, costs, financial information, profits and billings, and referral sources, existing or future services, products, operations, management, pricing, financial status, goals, strategies, objectives, and agreements of HEALTHeLINK and the Participant, whether written or verbal, that are confidential in nature; provided, however, that Proprietary Information shall not include any information that: (a) is in the public domain; (b) is already known or obtained by any other party other than in the course of the other party’s performance pursuant to the Participation Agreement or these Terms and Conditions; (c) is independently developed by any other party; and/or (d) becomes known from an independent source having the right to disclose such information and without similar restrictions as to disclosure and use and without breach of the Participation Agreement or these Terms and Conditions, or any other confidentiality or nondisclosure agreement by such other party.

12.2 Nondisclosure of Proprietary Information

HEALTHeLINK and the Participant each (i) shall keep and maintain in strict confidence all Proprietary Information received from the other, or from any of the other’s employees, accountants, attorneys, consultants, or other agents and representatives, in connection with the performance of their respective obligations under these Terms and Conditions; (ii) shall not use, reproduce, distribute or disclose any such Proprietary Information except as permitted by these Terms and Conditions; and (iii) shall prevent its employees, accountants, attorneys, consultants, and other agents and representatives from making any such use, reproduction, distribution, or disclosure.

12.3 Equitable Remedies

All Proprietary Information represents a unique intellectual product of the party disclosing such Proprietary Information (the “Disclosing Party”). The unauthorized disclosure of said Proprietary Information would have a detrimental impact on the Disclosing Party. The damages resulting from said detrimental impact would be difficult to ascertain but would result in irreparable loss. It would require a multiplicity of actions at law and in equity in order to seek redress against the receiving party in the event of such an unauthorized disclosure. The Disclosing Party shall be entitled to equitable relief in preventing a breach of this Section 12 and such equitable relief is in addition to any other rights or remedies available to the Disclosing Party.

12.4 Notice of Disclosure

Notwithstanding any other provision hereof, nothing in this Section 12 shall prohibit or be deemed to prohibit a party hereto from disclosing any Proprietary Information (or any other information the disclosure of which is otherwise prohibited hereunder) to the extent that such party becomes legally compelled to make such disclosure by reason of a subpoena or order of a court, administrative agency or other governmental body of competent jurisdiction, and such disclosures are expressly permitted hereunder; provided, however, that a party that has been requested or becomes legally compelled to make a disclosure otherwise prohibited hereunder by reason of a subpoena or order of a court, administrative agency or other governmental body of competent jurisdiction shall provide the other party with notice thereof within five (5) calendar days, or, if sooner, at least three (3) business days before such disclosure will be made (if possible) so that the other party may seek a protective order or other appropriate remedy. If despite the efforts to quash the request or seek a protective order, the party is nevertheless compelled by any legal process to disclose Proprietary Information, such party shall furnish only that portion of the Proprietary Information legally compelled to be furnished in the opinion of the compelled party’s counsel and, on the other party’s request, shall use commercially reasonable efforts to obtain assurances from the applicable court or government agency or a subdivision thereof that such Proprietary Information will be afforded confidential treatment. Compulsory disclosures made pursuant to this section shall not relieve the compelled party of its confidentiality obligations for all other purposes. In no event shall a party be deemed to be liable hereunder for compliance with any such subpoena or order of any court, administrative agency or other governmental body of competent jurisdiction.

12.5 Trademarks

Participant and HEALTHeLINK acknowledge and agree that each retains control of its trademarks, tradenames, and/or servicemarks presently existing or hereinafter established with respect to it, and will not use the trademark of the other party without prior written consent of the other party.

13. DISCLAIMERS AND EXCLUSIONS OF WARRANTIES

13.1 Carrier Lines

Each Participant and HEALTHeLINK acknowledges that access to the HIE is to be provided over various facilities and communications lines, and information will be transmitted over local exchange and the internet backbone carrier lines and through routers, switches, and other devices (collectively, “carrier lines”) owned, maintained, and serviced by third-party carriers, utilities, and internet service providers, all of which are beyond HEALTHeLINK’s and each Participant’s control. Neither HEALTHeLINK nor any Participant assumes any liability for or relating to the integrity, privacy, security, confidentiality, or use of any information while it is transmitted on the carrier lines, or any delay, failure, interruption, interception, loss, transmission, or corruption of any data or other information attributable to transmission on the carrier lines. Use of the carrier lines is solely at the Participant’s risk and is subject to all applicable local, state, national, and international laws.

13.2 No Warranties

ACCESS TO THE HIE, USE OF THE SERVICES, AND THE INFORMATION OBTAINED BY A PARTICIPANT PURSUANT TO THE USE OF THOSE SERVICES ARE PROVIDED “AS IS” AND “AS AVAILABLE” WITHOUT ANY WARRANTY OF ANY KIND, EXPRESSED OR IMPLIED, INCLUDING BUT NOT LIMITED TO, THE IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, AND, EXCEPT AS PROVIDED IN A VENDOR AGREEMENT, NON-INFRINGEMENT. THE PARTICIPANT SHALL BE SOLELY RESPONSIBLE FOR ANY AND ALL ACTS OR OMISSIONS TAKEN OR MADE IN RELIANCE ON THE HIE OR THE INFORMATION IN THE HIE, INCLUDING BUT NOT LIMITED TO INACCURATE OR INCOMPLETE INFORMATION. HEALTHeLINK AND EACH PARTICIPANT DISCLAIMS ANY AND ALL LIABILITY FOR ERRONEOUS TRANSMISSIONS AND LOSS OF SERVICE RESULTING FROM COMMUNICATION FAILURES BY TELECOMMUNICATION SERVICE PROVIDERS OR THE HIE.

13.3 Other Participants and Health Information Exchanges

(a) By using the HIE and the Services, each Participant acknowledges that other Participants will have access to the HIE and Services. Pursuant to these Terms and Conditions, such other Participants shall have agreed to comply with these Terms and Conditions concerning use of the information made available through the HIE and the Services; provided, however, that the actions of such other parties are beyond the control of HEALTHeLINK and the Participant. Accordingly, HEALTHeLINK and the Participant do not assume any liability for or relating to any impairment of the privacy, security, confidentiality, integrity, availability, or restricted use of any information on the HIE resulting from any action or failure to act of any other Participant or other party other than HEALTHeLINK and the Participant.

(b) Participant acknowledges that data may also be shared with participants of External Networks in connection with HEALTHeLINK’s participation in External Networks. Each Participant acknowledges that HEALTHeLINK shall have no responsibility for the acts or omissions of any other QE, any users accessing or utilizing the HIE or SHIN-NY through any External Network, or any participant or authorized user of any other QE or participant in an External Network.

13.4 Participant’s Actions

Each Participant shall be solely responsible for any damage to a computer system, loss of data, and any damage to the HIE caused by the acts and omissions of the Participant and/or its Authorized Users and all other individuals who access the HIE and/or use the Services either through the Participant or by use of any password, identifier or log-on received or obtained from the Participant or any of the Authorized Users, only if such access was obtained as a result of the negligence or willful misconduct of the Participant or a Participant’s Authorized User.

13.5 Unauthorized Access; Lost or Corrupt Data

Except as caused by its negligence or willful misconduct, HEALTHeLINK shall not be responsible for unauthorized access to the Participant’s transmission facilities or equipment by individuals or entities using the HIE or for unauthorized access to, or alteration, theft, or destruction of the participant’s data files, programs, procedures, or information through the HIE, whether by accident, fraudulent means or devices, or any other method. Each Participant shall be solely responsible for validating the accuracy of all output, reports and information, and protecting the Participant’s data and programs from loss by implementing appropriate security measures, including routine backup procedures. HEALTHeLINK, its Vendors and Data Suppliers are not responsible for the content of any information transmitted or received through the HIE or provision of the Services, except to the extent that the content of such information is distorted or corrupted as a direct result of the negligent acts or omissions or willful misconduct of HEALTHeLINK.

13.6 Inaccurate Data

By using the HIE and the Services, each Participant acknowledges that all data to which access is made through the HIE and/or the Services originates from Data Suppliers and does not originate from HEALTHeLINK. All such data is subject to change arising from numerous factors, including without limitation, changes to patient health information made at the request of the patient, changes in the patient's health condition, the passage of time and other factors. HEALTHeLINK neither initiates the transmission of any data nor monitors the specific content of data being transmitted. Without limiting any other provision of these Terms and Conditions, HEALTHeLINK SHALL HAVE NO RESPONSIBILITY FOR OR LIABILITY RELATED TO THE ACCURACY, CONTENT, CURRENCY, COMPLETENESS, CONTENT, OR DELIVERY OF ANY DATA EITHER PROVIDED BY A DATA SOURCE, OR USED BY A DATA RECIPIENT, PURSUANT TO THESE TERMS AND CONDITIONS, except to the extent that the content of such information is distorted or corrupted as a direct result of the negligent acts or omissions or willful misconduct of HEALTHeLINK.

13.7 Patient Care

Without limiting any other provision of these Terms and Conditions, each Participant and the Participant's Authorized Users shall be solely responsible for all decisions and actions taken or not taken involving patient care, utilization management, and quality management for their respective patients and members resulting from or in any way related to the use of the HIE or the Services or the data made available thereby. No Participant or Authorized User shall have any recourse against, and through the Participation Agreements that apply thereto, each shall waive, any claims against HEALTHeLINK, Vendors, Data Suppliers and other Participants for any loss, damage, claim, or cost to the extent relating to or resulting from such Participant's or Authorized User's own use or misuse of the HIE and/or the Services or the data made available thereby.

13.8 Limitation of Liability

In addition to the limitations of liability set forth in Section 13.2 (No Warranties):

(a) Notwithstanding the foregoing or anything in the Participation Agreement to the contrary, to the maximum extent permitted by applicable laws, the aggregate liability of HEALTHeLINK, its officers, directors, employees or agents, shall be limited to the greater of: (i) the amount of insurance coverage available to HEALTHeLINK with respect to such liability plus any amounts for which HEALTHeLINK is indemnified by third parties, such as Vendors; or (ii) \$1,000,000.

(b) Notwithstanding the foregoing or anything in these Terms and Conditions to the contrary, to the maximum extent permitted by applicable laws, the aggregate liability of a Participant, its officers, directors, employees or agents, shall be limited to the greater of: (i) the amount of insurance coverage available to that Participant with respect to such liability plus any amounts for which that Participant is indemnified by third parties, such as Vendors; or (ii) \$1,000,000.

(c) The foregoing limitations on liability set forth in Subsections 13.8(a) and 13.8(b) above shall not apply to intentional acts or omissions of HEALTHeLINK or Participant, as the case may be.

(d) It is expressly agreed that in no event shall HEALTHeLINK or any Participant be liable for any special, indirect, consequential, or exemplary damages, including but not limited to, loss of profits or revenues, loss of use, loss of information or data, bodily injury, or other third-party liabilities, whether a claim for any such liability or damages is premised upon breach of contract, breach of warranty, negligence, strict liability, or any other theories of liability, even if HEALTHeLINK or the Participant has been apprised of the possibility or likelihood of such damages occurring. Notwithstanding the foregoing, the limitation of liability set forth in this subsection 13.8(d) shall not apply to damages incurred by a party relating to the other party's breach of its obligations of confidentiality in the Participation Agreement, and its obligations as set forth in an applicable business associate agreement.

13.9 Remedies Against Vendors

Upon written request by Participant to HEALTHeLINK describing harm to Participant as a result of an alleged act or omission or willful misconduct by a HEALTHeLINK Vendor, HEALTHeLINK will: (a) examine whether HEALTHeLINK has a contractual basis to seek a remedy for Participant and report the results of its examination to Participant. If HEALTHeLINK determines that it does have a contractual basis to seek a remedy for Participant, it will use reasonable efforts to pursue that remedy, or report back to Participant its reason for not doing so; and (b) provide reasonable cooperation in any efforts by Participant to pursue a remedy against a Vendor, including providing copies of the relevant Vendor Agreement, or report back to Participant its reason for not doing so.

14. DISPUTE RESOLUTION

14.1 Scope

Any controversy, dispute, or disagreement arising out of or relating to the Participation Agreement, the Terms and Conditions, the Policies and Procedures, or any Participant's Registration Application (individually and collectively referred to in this Section 14 as "this Agreement"), or the breach of this Agreement, (referred to in this Section 14 as a "dispute") shall be settled according to the procedure set forth in this Section 14. Notwithstanding the foregoing, the provisions set forth in this Section 14 shall not apply to disputes relating to obligations under the applicable business associate agreement.

14.2 Informal Conference

In the event a dispute arises between or among any of the parties concerning their respective duties and obligations under this Agreement, each party shall be obligated to meet and confer with the other(s) in good faith, on reasonable notice, and at a mutually agreeable location. The parties agree that if any party refuses to participate in such a conference, or if such a conference fails to produce a mutually acceptable resolution of the dispute within fifteen (15) calendar days after the parties' receipt of notice of the dispute, the other party or parties may submit the matter to mediation or arbitration pursuant to this Section 14.

14.3 Mediation and Legal Action

In the event a dispute arises between or among the parties that cannot be settled by informal conference as set forth above, the parties may, on mutual agreement, submit the matter to mediation to be conducted in Erie County, New York. The process for selecting the mediator shall be determined by the mutual written consent of the parties. If the parties fail to agree to a process within ten (10) calendar days from a request, then the parties may proceed to arbitration in accordance with Section 14.4 or take any legal action in a court of law or equity (including but not limited to seeking injunctive relief) to assert or enforce a claim it has against the other party under the Participation Agreement. The consent of any party to such mediation may be withdrawn at any time, without cause.

14.4 Arbitration

(a) In the event a dispute cannot be settled by informal conference or mediation as set forth above, the parties may, on mutual agreement, submit the matter to binding arbitration. The matter shall be settled by arbitration in Erie County, New York, unless otherwise agreed to by the parties. The process for selecting the arbitrator(s), and the rules for arbitration, shall be determined by the mutual written consent of the parties. If the parties fail to agree to an arbitrator or panel of arbitrators, or the rules for arbitration within thirty (30) calendar days after receipt of a demand for arbitration, the arbitration shall proceed in accordance with the American Health Law Association's ("AHLA") Dispute Resolution Rules, except as modified below. Judgment on the award rendered by the arbitrator or panel of arbitrators may be entered in any court of competent jurisdiction. Punitive damages may not be awarded.

(b) Immediately after the filing of the submission or the answering statement or the expiration of the time within which the answering statement is to be filed, the AHLA shall send simultaneously to each party to the dispute an identical list of ten (10) (unless the AHLA decides that a greater number is appropriate) names of persons chosen from AHLA's National Roster of Arbitrators. The parties will attempt to agree on an arbitrator from the submitted list, and if they are able to do so, they will promptly advise the AHLA of their choice. The same person may serve as both mediator and arbitrator only with the consent of all parties.

(c) If the parties are unable to agree on an arbitrator within fifteen (15) calendar days of the date the AHLA transmitted the list, each party to the dispute shall have an additional seven (7) calendar days in which to strike names objected to, number the remaining names in order of preference, and return the list to the AHLA. If a party does not return the list within the time specified, all persons named therein shall be deemed acceptable. From among the persons who have been approved on each party's list, and in accordance with the designated order of mutual preference, the AHLA shall invite the acceptance of one (1) arbitrator to serve. If the parties fail to agree on any of the persons named within the time specified by AHLA, or if acceptable arbitrators are unable to act, or if for any other reason the appointment cannot be made from the submitted lists, the AHLA shall appoint a three-person panel of arbitrators from among other members of AHLA's National Roster of Arbitrators. The arbitrator selection process set forth above shall apply regardless of whether there are two or more claimants or two or more respondents involved in the dispute.

(d) Each party shall bear its own costs and expenses, and an equal share of the arbitrators' and administrative fees of arbitration.

15. INDEMNIFICATION

Notwithstanding Section 14 (Dispute Resolution), and subject to Section 13.8 (Limitation of Liability), the following Indemnification provisions shall apply:

15.1 Infringement Indemnity

(a) HEALTHeLINK shall indemnify and hold harmless Participant and defend any action brought against the same with respect to any third-party claim, demand or cause of action, to the extent that it is based upon a claim that the HIE or Services, as provided by HEALTHeLINK and used within the scope of this Agreement, infringes or violates any United States patent, copyright, trade secret or other proprietary rights of a third party, provided that the Participant: (i) notifies HEALTHeLINK within two business days of receiving written notification of the claim; (ii) grants HEALTHeLINK sole control of the defense and settlement of the claim; and (iii) provides HEALTHeLINK, at Participant's expense, with all assistance, information and authority reasonably required for the defense and settlement of the claim.

(b) Participant shall indemnify and hold harmless HEALTHeLINK and defend any action brought against the same with respect to any third-party claim, demand or cause of action, to the extent that it is based upon a claim that Participant's hardware or software infringes or violates any United States patent, copyright, trade secret or other proprietary rights of a third party, provided that HEALTHeLINK: (i) notifies Participant within two business days of receiving written notification of the claim; (ii) grants Participant sole control of the defense and settlement of the claim; and (iii) provides Participant, at HEALTHeLINK's expense, with all assistance, information and authority reasonably required for the defense and settlement of the claim.

(c) HEALTHeLINK will have no liability for any infringement or misappropriation claim of any kind to the extent it results from: (i) modification of any HIE product or any Services made by any party other than HEALTHeLINK, if such a claim would have been avoided if the HIE or Services were not so modified; (ii) the combination, operation or use of the HIE or Services with software, equipment or devices not supplied by HEALTHeLINK, if such a claim would have been avoided if the HIE or Services were not used in such combination; (iii) Participant's failure to use updated or modified HIE or Services

provided by HEALTHeLINK to avoid a claim; or (iv) HEALTHeLINK's compliance with designs, plans or specifications furnished by or on behalf of Participant.

(d) The foregoing provisions of this Section 15.1 set forth the parties' respective sole and exclusive obligations, and sole and exclusive remedies, with respect to infringement or misappropriation of intellectual property rights of any kind.

15.2 Specific Indemnities

HEALTHeLINK and each Participant (each, an "Indemnifying Party") each shall hold the other (the "Indemnified Party") free of and harmless from and against any liability, judgments, costs, damages, claims, or demands, including reasonable attorneys' fees, net of the proceeds of insurance, relating to any Breach (as defined in the Policies and Procedures) arising out of the act or omission of the Indemnifying Party or any of the Indemnifying Party's officers, directors, members, employees or other agents, including but not limited to Authorized Users.

15.3 Rules for Indemnification

Any indemnification made pursuant to this Section 15 shall, unless otherwise provided, include payment of all costs associated with defending the claim or cause of action involved, whether or not such claims or causes of action are meritorious, including reasonable attorneys' fees and any settlement by or judgment against the party to be indemnified. In the event that a lawsuit is brought against the party to be indemnified, the party responsible to indemnify that party shall, at its sole cost and expense, defend the party to be indemnified, if the party to be indemnified demands indemnification by written notice given to the indemnifying party within a period of time wherein the indemnifying party is not prejudiced by lack of notice. Upon receipt of such notice, the indemnifying party shall have control of such litigation but may not settle such litigation without the express consent of the party to be indemnified, which consent shall not be unreasonably withheld, conditioned or delayed. The indemnification obligations of the parties shall not, as to third parties, be a waiver of any defense or immunity otherwise available, and the indemnifying party, in indemnifying the indemnified party, shall be entitled to assert in any action every defense or immunity that the indemnified party could assert on its own behalf.

15.4 Indemnification by Certain Participants Operated by Governmental Agencies

Certain Participants that are operated by the State of New York, by a county thereof, or by a governmental agency thereof (collectively, "Government Participants"), may be subject to laws that limit that Participant's ability to agree to or perform certain of the obligations of a Participant concerning indemnification described in this Section 15. HEALTHeLINK may enter into a Participation Agreement with a Government Participant that provides for terms and/or conditions concerning indemnification by that Government Participant that are different from those set forth in this Section 15, and which shall apply to that Government Participant notwithstanding anything to the contrary in this Section 15; provided, that HEALTHeLINK shall do so only if and to the extent that such Government Participant demonstrates to HEALTHeLINK that applicable laws so limit that Government Participant's ability to agree to or perform such indemnification obligations.

16. INSURANCE

16.1 Required Coverage

(a) HEALTHeLINK shall maintain, throughout the term of the Participation Agreement, at its sole expense, insurance for "cyber-liability" or similar insurance appropriate to a breach of personal health information, as well as such professional and general liability insurance coverage as it deems reasonable and necessary to insure itself and its officers, directors, and employees against any third party claim or cause of action arising out of the performance of the Participation Agreement. Current coverages will be of the type and amount set forth on Schedule 16.1.

(b) Each Participant shall maintain, throughout the term of its Participation Agreement, at its sole expense, such professional, general, and cyber liability insurance coverage, or self-insurance, commensurate with its organizational characteristics, as it deems reasonable and necessary to insure itself and its officers, directors, and employees against any third party claim or cause of action arising out of the performance of its Participation Agreement.

(c) In the event of termination of Participant's Participation Agreement for any reason, HEALTHeLINK and each Participant either shall maintain its insurance coverage called for under this Section 16.1 for a period of not less than three (3) years, or shall provide an equivalent extended reporting endorsement ("tail policy").

16.2 Evidence of Coverage

HEALTHeLINK and each Participant shall provide proof of such required coverage upon request.

16.3 Commercial or Self-Insurance

The insurance coverage required under these Terms and Conditions may be provided through one or more commercial insurance policies through a self-insurance fund reasonably satisfactory to HEALTHeLINK, or through a combination of commercial and self-insurance.

17. GENERAL PROVISIONS

17.1 Applicable Law

The interpretation of these Terms and Conditions and the resolution of any disputes arising under these Terms and Conditions and the Participation Agreement shall be governed by the laws of the State of New York. If any action or other proceeding is brought on or in connection with these Terms and Conditions or a Participation Agreement, the venue of such action shall be exclusively in Erie County, in the State of New York.

17.2 Non-Assignability

No rights of the Participant under its Participation Agreement may be assigned or transferred by the Participant, either voluntarily or by operation of law, without the prior written consent of HEALTHeLINK, which it may withhold in its reasonable discretion; provided, however, that HEALTHeLINK may assign rights of the Participant under its Participation Agreement upon prior written notice to, but without the prior written consent of Participant to (i) the successor in any merger involving HEALTHeLINK or (ii) an affiliated entity established for the purpose of operating the HIE in which case the affiliated entity to which the Participation Agreement is assigned shall be solely responsible for the performance of the obligations of HEALTHeLINK under the Participation Agreement.

17.3 Third-Party Beneficiaries

Except as provided in Section 15 (Indemnification), there shall be no third-party beneficiaries of any Participation Agreement.

17.4 Supervening Circumstances

Neither the Participant nor HEALTHeLINK shall be deemed in violation of any provision of a Participation Agreement if it is prevented from performing any of its obligations by reason of: (a) severe weather and storms; (b) earthquakes or other natural occurrences; (c) strikes or other labor unrest; (d) power failures; (e) nuclear or other civil or military emergencies; (f) acts of legislative, judicial, executive, or administrative authorities; or (g) any other circumstances that are not within its reasonable control. This Section 17.4 shall not apply to obligations imposed under applicable laws and regulations or obligations to pay money.

17.5 Severability

Any provision of these Terms and Conditions or any Participation Agreement that shall prove to be invalid, void, or illegal, shall in no way affect, impair, or invalidate any other provision of these Terms and Conditions, the Policies and Procedures, or such Participation Agreement, and such other provisions shall remain in full force and effect.

17.6 Notices

Any and all notices required or permitted under these Terms and Conditions shall be sent by United States mail, overnight delivery service to the address provided in the Participation Agreement, or such different address as a party may designate pursuant to this Section 17.6.

17.7 Waiver

No provision of these Terms and Conditions, the Policies and Procedures, or any Participation Agreement shall be deemed waived and no breach excused, unless such waiver or consent shall be in writing and signed by the party claimed to have waived or consented. Any consent by any party to, or waiver of a breach by the other, whether expressed or implied, shall not constitute a consent to, waiver of, or excuse for any other different or subsequent breach.

17.8 Complete Understanding

With respect to any Participation Agreement, the Registration Application, the Policies and Procedures, and these Terms and Conditions together contain the entire understanding of the parties, and there are no other written or oral understandings or promises between the parties with respect to the subject matter of any Participation Agreement other than those contained or referenced in that Participation Agreement. All modifications or amendments to any Participation Agreement shall be in writing and signed by all parties.

EXHIBIT B TO TERMS AND CONDITIONS
QUALIFIED SERVICE ORGANIZATION AGREEMENT

HEALTHeLINK, a Qualified Service Organization, and the Participant do hereby enter into a Qualified Service Organization Agreement, whereby HEALTHeLINK agrees to provide to the Participant the services described in the Participation Agreement between the parties (the “Participation Agreement”) and HEALTHeLINK’s Policies and Procedures (as such term is defined in the Participation Agreement). “Qualified Service Organization” means a person which: (a) provides services to a program, such as data processing, bill collecting, dosage preparation, laboratory analyses, or legal, medical, accounting, or other professional services, or services to prevent or treat child abuse or neglect, including training on nutrition and child care and individual and group therapy, and (b) has entered into a written agreement with a program under which that person: (1) acknowledges that in receiving, storing, processing or otherwise dealing with any patient records from the programs, it is fully bound by the provisions of the federal regulations governing Confidentiality of Alcohol and Drug Abuse Patient Records, 42 C.F.R. Part 2; and (2) if necessary, will resist in judicial proceedings any efforts to obtain access to patient records except as permitted by these regulations.

Part 2; and
2. Undertakes to resist in judicial proceedings any efforts to obtain access to any information pertaining to patients in any alcohol and drug abuse treatment program operated by the Participant otherwise than as expressly provided for in the federal confidentiality regulations, 42 C.F.R. Part 2.
