c. Promptly report to Covered Entity, and mitigate, to the extent practicable, any harmful effect that is known to HeL of any use or disclosure of PHI by HeL in violation of the requirements of this Agreement and/or any Security Incident or Breach, and take steps to avoid any further similar violating uses or disclosures and/or Security Incidents or Breaches.

Covered Entity acknowledges that such writing may differ in form, but will not differ in substance from this Agreement. If HeL becomes aware of a pattern of activity or practice of a subcontractor or agent that would constitute a material breach or violation of the subcontractor's or agent’s obligations under such writing, HeL shall take reasonable steps to cure the breach or end the violation, as applicable, and, if such steps are unsuccessful, terminate the contract or arrangement, if feasible.

g. Upon 10 days’ written notice by Covered Entity, provide access to PHI in a Designated Record Set to Covered Entity or, as directed by Covered Entity, to an Individual in order to meet applicable access requirements of the Privacy and Security Rules. k. Upon 10 days' written notice by Covered Entity, make available or provide to Covered Entity or the Individual information collected in accordance with Section 2.1(j), to permit Covered Entity to respond, in accordance with the HIPAA Rules, to a request by an Individual for an accounting of disclosures of PHI. If return or destruction of the PHI is infeasible as reasonably determined HeL, HeL shall extend all protections contained in this Agreement to HeL's use and/or disclosure of any retained PHI, and limit any further uses and/or disclosures to the purposes set forth in Section 2.2 of this Agreement. This Provision shall apply to PHI that is in the possession of subcontractors or agents of HeL.

m. Comply with HITECH as applicable to HeL.

n. To the extent HeL is required to carry out Covered Entity's obligations under 45 C.F.R. subpart E, comply with the requirements of such subpart that apply to Covered Entity in the

performance of such obligations, including, but not limited to, minimum necessary and document retention standards.

Part 2.

s. In the event HeL chooses to destroy the PHI in its possession in compliance with paragraph 2.1(l) of this Agreement, and that PHI contains “personal identifying information” as defined in New York General Business Law § 399-h(1)(d), dispose of such information in conformity with New York General Business Law § 399-h(2).

2.2 Permitted Uses and Disclosures of PHI by HeL. Except as otherwise specified in this Agreement, HeL may use and disclose the PHI as reasonably necessary to perform its obligations under the Underlying Contract, provided that such use or disclosure does not violate the HIPAA Rules. Unless otherwise limited herein, HeL may:

a. Use the PHI in its possession for its proper management and administration of HeL, as defined in HeL’s Policies and Procedures, and to carry out the legal responsibilities of HeL.

b. Disclose the PHI in its possession to a third party for the purpose of HeL’s proper management and administration or to carry out the legal responsibilities of HeL, provided that the disclosures are required by law or HeL obtains written assurances from the person to whom the information is disclosed that it will remain confidential and used or further disclosed only as required by law or for the purpose for which it was disclosed to the person, and the person notifies HeL of any instances of which it is aware in which the confidentiality of the information has been breached. Such written assurances shall include adherence to the same restrictions and

conditions on use and disclosure as apply to HeL herein. Covered Entity acknowledges that such written assurances may differ in form, but will not differ in substance, from this Agreement.

c. Provide Data Aggregation Services as permitted by 45 C.F.R. § 164.504(e)(2)(i)(B) and the Underlying Contract.

d. Use PHI to report violations of law to appropriate Federal and State authorities, consistent with 45 C.F.R. § 164.502(j)(1). To the extent permitted by applicable law, prior to disclosing PHI as required by law to a law enforcement, regulatory, administrative, or oversight agency, or in response to a subpoena, court order, civil investigative demand, or other compulsory document or lawful process, HeL shall notify Covered Entity of such pending disclosure and provide reasonable time for Covered Entity to oppose such disclosure, should Covered Entity deem such opposition necessary; provided, however, that if Covered Entity does not respond to HeL regarding such opposition prior to the date on which such disclosure must be made, HeL may, in its own discretion, disclose PHI as required by law.

2.3 Prohibited Uses and Disclosures of PHI by HeL. HeL will neither use nor disclose Covered Entity's Protected Health Information except as permitted or required by this Agreement. Except as otherwise allowed in this Agreement or the Policies and Procedures, this Agreement does not authorize HeL to:

a. Sell Covered Entity's Protected Health Information for any purpose;

b. Use or disclose Covered Entity's Protected Health Information for HeL's Marketing purposes; or

c. Receive, maintain, store, access or transmit PHI outside of the United States and its territories without the prior written consent of Covered Entity.

a. To notify HeL of any restriction, or change in any restriction, to the use or disclosure of Protected Health Information that the Covered Entity has agreed to in accordance with 45 C.F.R. § 164.522, to the extent that such restriction may affect HeL's use or disclosure of PHI.

b. To notify HeL of any limitation(s) in its notice of privacy practices in accordance with 45 C.F.R. § 164.520, to the extent that such limitation may affect HeL's use or disclosure of PHI.

c. Not to request HeL to use or disclose PHI in any manner that would not be permissible under the HIPAA Rules if done by Covered Entity.

2.5 Obligations Relating to MCD.

The Parties understand and acknowledge that this Section 2.5 only applies if a party shall be given access to MCD from the other party pursuant to the Underlying Contract.

The Federal Center for Medicare and Medicaid Services (CMS) requires that all contracts and/or agreements executed between the Department of Health and any second party that will receive MCD must include contract language that will bind such parties to ensure that contractor(s)/business associates abide by the regulations and laws that govern the protection of individual, Medicaid confidential level data. This requires that the parties

State law prohibits you from making any further disclosure of this information without the specific written consent of the person to whom it pertains, or as otherwise permitted by law. Alcohol and Substance Abuse Related Confidentiality Restrictions:

Alcohol and substance abuse information is confidential pursuant to 42 CFR Part 2. General authorizations are ineffective to obtain the release of such data. The federal regulations provide for a specific release for such data.

You agree to ensure that you and any agent, including a subcontractor/business associate, to whom you provide MCD/PHI, agrees to the same restrictions and conditions that apply throughout this Agreement. Further, you agree to state in any such agreement, contract or document that the party to whom you are providing the MCD/PHI may be required to provide their Business Associate Agreements to DOH and may be required to receive acknowledgement or written agreement from DOH prior to redisclosing the MCD.
