

How to add Immunizations to your Patient Summary View in HEALTHeLINK

COVID-19 Vaccine Data is now available and displayed in HEALTHeLINK within the Immunization section. If your Immunizations are in your Hidden Section, click on “Configure Layout”.

Then, click and drag “Immunizations” into one of your boxes and click [Submit]. This will now display Immunizations in your summary view.

If you have any questions, please email training@wnyhealthelink.com for assistance.
